

# Aussie slang

Complete this tally- put a dash in each column after reading the [Aussie Slang](#) on link:

Words about drinking	Words about leisure	Words about sex	Words about the landscape (mostly rural)	Words which are Aussie 'sayings' (vernacular)	Words which talk about Australian characters	Words about types of food (pay attention if it is 'casual or formal' food)

What do the "Slang" words associated with Australia say about Australians? What image do they give of us as a collective?

---

---

---

Do you think this is accurate?

---

---

Is this every Australian's experience?

---

---

How do words have the power to shape how we are seen? How do they reflect our individual and collective cultural identity?
